TALENTCAMPUS
— LES TRANSFORMATEURS —

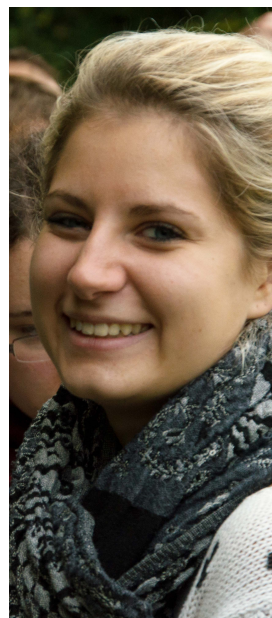

DISCOVER AND DEVELOP YOUR INTERCULTURAL TALENTS!

INTERCULTURAL TALENT INTERNATIONAL SCHOOL FEBRUARY 20 THRU 24, 2017

Five days to learn and discover more about yourself, to communicate skillfully in an intercultural context, and to enhance your intercultural skills. After training has been completed, you will be able to:

- Identify one or more of your talents recognized by yourself and others ...
- Discover yourself and others ...
- Find your place and contribute effectively to a multicultural team ...
- Communicate skillfully in a socially diverse context ...

Entirely in English, the course is open to: high school students, students, PhD students, persons in employment, self-employed, job seekers, retired persons ... for a broad variety of learning and exchanges.

FOR FURTHER INFORMATION

As the training will be conducted entirely through English, participants must have a minimum B1 level in English.

Participation Fee: free for students and job seekers

Employees: 100€ per day (for those self-financing); 500€ per day (if funded by the company)

Accommodation and meals (aside from two meals offered): Participants are responsible for ensuring their own accommodation and covering all costs during the five-day training periods.

As for the possibility of requesting accommodation with regional student assistance office in Mulhouse – please contact us directly.

Schedule and location for training: 8:30 – 17:30 / Université de Haute-Alsace, Mulhouse

Limited to 30 places!

Please note: All enquiries and registration before 20 January 2017

PROGRAM

MONDAY 20/02 - Talent and Discovery

What are social skills and cooperation?

Awareness of the paramount nature of developing social skills and learning about the mechanisms of group work through creative team games.

TUESDAY 21/02 - Talent and Shared Intelligence

Teamwork to discover and develop skills?

How to make teamwork a real collaborative tool? How to maximize on each participant's commitment and make this work a place for discovering and developing skills?

WEDNESDAY 22/02 - Talent and Communication

The key to interpersonal communication: non-violent and orderly communication?

Understand the mechanisms and challenges of interpersonal communication and learn how to communicate in a non-violent and orderly manner by working on controlling one's emotions: theater-forum plays and sketches on the program.

THURSDAY 23/02 - Talent and Emotional Intelligence

Understanding and controlling emotions

Identify your emotions, understand them, control them through role-playing games and sketches.

FRIDAY 24/02 - Talent and Spreading One's Wings

Expressing your new talents

Integrating the training and learning: review of the week through creative moments and a guided "carte blanche".

These complementary skills to technical skills are essential for achieving a competent standard in an academic and professional milieu.

DIGITAL SUPPORT

Undergo your training with tablet PCs:

- Pedagogical Content
- Competency Profile
- Module Evaluation
